RAY

GIVE YOUR COMMERCIAL PROPERTIES A TECH EDGE

Our Commercial Property solution will give you better control and more information on your business while allowing you to offer your tenants an easy, digital experience all-on-one platform.

Businesses adopting RAY's platform in their property see:

**30%** increase in tenant engagement

25% higher retention rates

20% cut in operational costs

Built For:

Communities — Business Parks — Offices — Property Managers — Workplaces

OUR PURPOSE

OFFER A WORLD-CLASS DIGITAL TENANT EXPERIENCE

- Position your community as an industry leader by providing an unparalleled digital living experience.

- Be the community of choice for current and future potential tenants and leave the competition behind.

OPTIMIZE RETENTION RATES AND UNLOCK REVENUE STREAMS

- Happy tenants stay longer, are more likely to refer other potential tenants, and are willing to pay more for their premium experience.

- Leverage the power of RAY's insights to make data-driven decisions to unlock new revenue streams and expand existing ones.
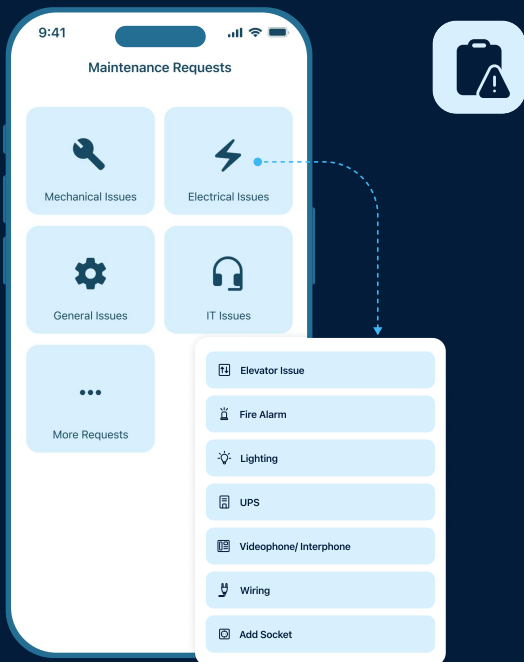

STREAMLINE YOUR TENANT AND PROPERTY MANAGEMENT PROCESSES

- Opt for faster processing for clients, better accountability, and an enhanced communication.

- Our clients have reported a drop in processing time since using RAY and an increase in their tenant satisfaction.

We are highly satisfied with the app's performance and the exceptional support!

★ ★ ★ ★ ★

"The app has been very useful in facilitating our daily operations. It enables us to monitor our clients' bookings and transactions effectively, and the dashboard presents the data in an easily understandable format, which helps us reduce administrative tasks.

Overall, we are highly satisfied with the app's performance and the exceptional support rendered by the RAY team. Their responsiveness to our needs has been commendable."
